In discharging my duties as overseer of the poor the past year I have tried to do for the best interest of the town, as well. With the valuable aid of Wm. S. Weeks we secured a pension for Pat Kelley and back pay to the amount of $105, with which he has taken up the mortgage on his place and is now self-supporting.

There have been two deaths, that of Mrs. Kelly, and one transient.

There have been two added to the list of poor who have been helped by the town, a Mr. Russell and wife, and as near as I can learn they belong to Wallingford. Mr. Claghorn, chairman of the board of selectmen of that town, requested me to minister to their wants until they had time to investigate, and if they belonged to Wallingford they would pay the bills and take them away.

Respectfully,

H. K. WHITE, Overseer of Poor of Clarendon.

—:o:—

CEMETERY REPORTS

The selectmen have to call the attention of the town to the fact that lots have been taken at East Clarendon Cemetery and remain unpaid for; also in the West Clarendon Cemetery, and would recommend the appointment of agents to look after the Cemetery in each place and report annually to the selectmen or town.

STEWARD ROAD REPORT.

The selectmen cannot report great progress towards final conclusion. There have been three days spent in taking testimony in behalf of the town, and there is still more to take, which seems to be al the progress made during the year.
